HIGHLAND SINGLE MALT SCOTCH WHISKY

AD/ White Port Cask Release 10 Years Old

For our first foray into this cask type, we have a vatting of totally unpeated 2016 spirit, started in bourbon casks and finished in White Port barriques.

The result is a layered, lengthy and complex dram, redolent with salted oat biscuits, candied cashews, preserved lemon, and beurre noisette. We think this will be a perfect winter warmer.
