

KUNSTBAR & LILLIES

„Lilies“ stands for quality to serve and stories to tell. The focus is on high quality products, syrups, infusions and purees which are homemade and always high quality. The kitchen serves specialties from all over the world.

Opened in 2015 „Kunstbar“ is located in Bremen and combines art, drinks and hospitality. We offer our guests a perfect hideaway from their daily business.

BOUTIQ'BAR

When Boutiq'Bar was opened we believed in hospitality. Our backbones were enthusiasm, determination and naivety. There were laughs, tears, hugs and goodbyes, far more, than an easy stride. There were many prizes and of course critics. But few things stayed. We are still believers. Boutiq'Bar specialises on exceptional customer service and makes you feel at home.
