## 6 COCKTAILS

Taking its lead from the New York fad for covert bars, the 6 adventure begins in front of a heavy arched gate. Ring the bell, await the buzz of approval and then find yourself summoned into a rambling apartment that feels sultry and sensual. The most special thing about 6 cocktails is certainly the way to get there and the fact that the place is not visible from the street level. No signs, no banners . Other specialties are of course our cocktails and hospitality.

## COCKTAIL TRADING COMPANY

The Cocktail Trading Company is a cooperative bar devoted to drinks and specialising in fun. It is the brainchild of three lifelong bartenders, who wanted to create a business that not only operated great bars, but also gave back to the bar world. On top the team works hard to minimise waste, reuses and recycles as much as they can.

## VOGATSIKOU 3

Vogatsikou 3 opened its doors about 4 years ago. It is at home in the old premises of one of Thessaloniki's most well-known bars back in the 80's and 90's, the Bel Air. The bar is a product of hard work, necessity but above all that: love. The drinks are prepared with the finest ingredients and with great care. Vogatsikou 3 also founded their own vermouth brand.
