LOCH LOMOND

SINGLE MALT SCOTCH WHISKY

AGED **21** YEARS

• LOCH LOMOND • 21 YEAR OLD

*Single Malt Scotch Whisky
'Aged to Perfection'*

Since 1814 the Loch Lomond Distillery has been producing the finest single malt whisky. Situated on the banks of Loch Lomond it takes its name from this most picturesque and famous of all Scotland's lochs - often referred to as one of the world's natural wonders. Indeed, wherever in the world you may be, when you enjoy our whisky, you're experiencing the spirit of a very special place.

Loch Lomond 21 Year Old Single Malt uses three styles of spirit, two of which are peated, all of which have been matured in a mix of American oak casks. Then, under the watchful eye of Michael Henry, our Master Blender, these spirits are married together for up to three months before bottling.

Our 21 year old Loch Lomond is non-chill filtered to allow the whisky's natural characteristics to shine through.
Bottled at 46%

This exceptional single malt has an underlying fruit character from the Loch Lomond Distillery which comes to the fore with the perfect hint of peat smoke. Perfect anytime straight, over ice or with a little water.
