### Die Islay Rarität

Each whisky in the Cadenhead's Original Collection is a marriage of no more than a handful of casks at a time, selected to present our own interpretation of the distillery's character. These bottlings often offer an exciting alternative to styles you may already be familiar with.

# ENIGMA

ENIGMA (noun): something that is mysterious and seems impossible to understand completely.

The whiskies in Cadenhead's Enigma series are unusual, sometimes hard to quantify, perhaps even slightly contradictory.

## Die Cadenhead's Collection – ausgestattet im neuen, unverwechselbaren Flaschendesign

### *Scotland's Oldest Independent Bottler*

William Cadenhead's Ltd, Wine and Spirits Merchants, ist der älteste unabhängige Abfüller Schottlands, gegründet 1842, und seit 1972 Teil der renommierten J & A Mitchell & Co. Ltd, dem Eigentümer von Springbank und Glengyle Distillery.

Cadenhead's hat sich mit Single Cask und Small Batch Abfüllungen von Single Malt Scotch Whisky, Rum, Cognac und Gin einen berühmten Namen gemacht und steht seit jeher für höchste Qualität. Cadenhead's legt großen Wert darauf den authentischen Charakter der Destillerie zu präsentieren, immer ohne Kältefiltrierung und ohne Farbstoffzusätze.

Insbesondere für das sogenannte Cask Re-Racking mit außergewöhnlich langen Finishes ist Cadenhead's bekannt und stolz auf die Reifung und Abfüllung des gesamten Portfolios vor Ort in Campbeltown, der ehemaligen Whisky-Hauptstadt der Welt.
